Balhanger OPTILIFT 2745 u...

GVW is 2700 kg and own weight is 675 kg.

The twin-axle construction is based on a welded, hot-dip galvanized steel. Important build elements include floor: aluminium Lohr sheet, tyres: 195R10C.

The twin-axle setup improves stability and load distribution during transport.

If you are interested in twin-axle car transporter Balhanger OPTILIFT 2745 uchylna full LED, check the technical details and contact Witmar about availability and pricing.
