Lorries PL27-4521 uchylna...

Twin-axle car transporter Lorries PL27-4521 uchylna alu ryfel is designed for vehicle and machine transport. The cargo area measures 450 x 210 cm, payload is 1919 kg, GVW is 2700 kg and own weight is 781 kg.

The twin-axle construction is based on a welded, hot-dip galvanized steel. Important build elements include floor: aluminium Lohr sheet, centre filled with chequered aluminium sheet, tyres: 195R10C.

The twin-axle setup improves stability and load distribution during transport.

If you are interested in twin-axle car transporter Lorries PL27-4521 uchylna alu ryfel, check the technical details and contact Witmar about availability and pricing.
