Wiola L35G50P - three-axl...

axles.

Important build elements include frame: S355 structural steel, perforated, bent, welded, hot-dip galvanized; tyres: 195/55R10C.

The three-axle setup improves stability when carrying heavier vehicles, machines or longer loads.

If you are interested in three-axle car transporter Wiola L35G50P, check the technical details and contact Witmar about availability, equipment and pricing.
