Wiola W20L40 - heavy duty...

PRODUCT DESCRIPTION

Heavy duty twin-axle trailer Wiola W20L40 is designed for cargo, tools, materials and heavier business transport.

The product has cargo area dimensions 392x172 cm, GVW 2700 kg, own weight 550 kg and 2 axles.

Important build elements include frame: structural steel, perforated, bent, welded, hot-dip galvanized; floor: 12 mm anti-slip waterproof plywood; sides: 1 mm aluzinc sheet, 380 mm high, rear and front side boards openable; tyres: 185R14C.

The twin-axle setup improves stability and load distribution during transport.

If you are interested in heavy duty twin-axle trailer Wiola W20L40, check the technical details and contact Witmar about availability, equipment and pricing.
