Wiola B2640 - constructio...

PRODUCT DESCRIPTION

Construction equipment trailer Wiola B2640 is designed for construction equipment, mini excavators, compactors and building materials transport.

The product has cargo area dimensions 392x172 cm, GVW 2700 kg, own weight 730 kg and 2 axles.

Important build elements include frame: S355 structural steel; floor: 12 mm anti-slip waterproof plywood; sides: 2 mm steel sheet, welded to the frame; tyres: 185R14C.

The twin-axle setup improves stability and load distribution during transport.

If you are interested in construction equipment trailer Wiola B2640, check the technical details and contact Witmar about availability, equipment and pricing.
