Wiola B3540 MAX - constru...

PRODUCT DESCRIPTION

Construction equipment trailer Wiola B3540 MAX is designed for construction equipment, mini excavators, compactors and building materials transport.

The product has cargo area dimensions 400x390 cm, payload 2556 kg, GVW 3500 kg, own weight 944 kg and 3 axles.

Important build elements include frame: S355 structural steel; floor: 15 mm anti-slip waterproof plywood; sides: 2 mm steel sheet, welded to the frame; tyres: 195/50R13C.

The three-axle setup improves stability when carrying heavier vehicles, machines or longer loads.

If you are interested in construction equipment trailer Wiola B3540 MAX, check the technical details and contact Witmar about availability, equipment and pricing.
