Lorries MT-1 - motorcycle...

kg and own weight is 165 kg.

The single-axle construction is based on a welded, hot-dip galvanized steel, powder-coated black. Important build elements include floor: chequered aluminium sheet, tyres: 155/70R13.

The trailer layout helps keep motorcycles and quads securely positioned during transport.

If you are interested in motorcycle / quad trailer Lorries MT-1, check the technical details and contact Witmar about availability and pricing.
