Neptun Multi N13-305 mult...

GVW is 1300 kg and own weight is 304 kg.

The construction is based on a welded, hot-dip galvanized steel. Important build elements include floor: 9 mm plywood, sides: steel, tyres: 185R14C.

The trailer layout helps keep motorcycles and quads securely positioned during transport.

If you are interested in motorcycle / quad trailer Neptun Multi N13-305 multi, check the technical details and contact Witmar about availability and pricing.
