Wiola Silezia Plus - ligh...

PRODUCT DESCRIPTION

Light twin-axle trailer Wiola Silezia Plus is designed for daily cargo transport, home use and light business work.

The product has cargo area dimensions 292x142 cm, GVW 750 kg, own weight 290 kg and 2 axles.

Important build elements include frame: structural steel, perforated, bent, welded, hot-dip galvanized; floor: 9 mm anti-slip waterproof plywood; sides: 1 mm aluzinc sheet, 380 mm high, rear and front side boards openable; tyres: 155/70R13.

The twin-axle setup improves stability and load distribution during transport.

If you are interested in light twin-axle trailer Wiola Silezia Plus, check the technical details and contact Witmar about availability, equipment and pricing.
