Wiola Kujawiak - light si...

PRODUCT DESCRIPTION

Light single-axle trailer Wiola Kujawiak is designed for daily cargo transport, home use and light business work.

The product has cargo area dimensions 204x122 cm, GVW 750 kg, own weight 180 kg and 1 axle.

Important build elements include frame: structural steel, perforated, bent, welded, hot-dip galvanized; floor: 9 mm anti-slip waterproof plywood; sides: 1 mm aluzinc sheet, 380 mm high, rear and front side boards openable; tyres: 155/70R13.

The single-axle setup keeps the trailer easy to manoeuvre and convenient for everyday use.

If you are interested in light single-axle trailer Wiola Kujawiak, check the technical details and contact Witmar about availability, equipment and pricing.
