Wiola Viki 2 - light sing...

PRODUCT DESCRIPTION

Light single-axle trailer Wiola Viki 2 is designed for daily cargo transport, home use and light business work.

The product has cargo area dimensions 240x119 cm, GVW 750 kg, own weight 180 kg and 1 axle.

Important build elements include frame: structural steel, perforated, bent, welded, hot-dip galvanized; floor: 9 mm anti-slip waterproof plywood; sides: 1 mm aluzinc sheet, 380 mm high, rear side board openable, tilting frame with mechanical tipping; tyres: 155/70R13.

The single-axle setup keeps the trailer easy to manoeuvre and convenient for everyday use.

If you are interested in light single-axle trailer Wiola Viki 2, check the technical details and contact Witmar about availability, equipment and pricing.
